

CURRICULUM VITAE (CV)

MOHAMED ABUKAR HUSSEIN

Address: Kismayo, Jubbaland, Somalia

Mobile: +252 617 939 098

Email: abukarhusein93@gmail.com

PROFESSIONAL PROFILE

A highly motivated and enthusiastic Information Technology (IT) professional with a Bachelor of Computer and Information Technology from Jamhuriya University of Science and Technology. Possessing strong knowledge of computer hardware, software installation, networking, system administration, database fundamentals, cybersecurity principles, and IT support services. Experienced in providing technical support, maintaining computer systems, troubleshooting hardware and software problems, and assisting users in resolving technical issues.

A quick learner with excellent analytical, communication, and problem-solving skills who is committed to delivering reliable IT solutions and supporting organizational goals through technology.

CAREER OBJECTIVE

To obtain a challenging position in a reputable organization where I can apply my technical knowledge, develop my professional skills, and contribute to organizational growth through efficient IT support, innovative problem-solving, and continuous learning.
